2. The sponsor agrees to provide the latest corporate information and electronic copy of the organization's high resolution logo in a suitable format (typically gif, jpeg, or tiff) for use in all event marketing and promotion. For some sponsorships it may require a vector-based logo to be provided.
3. Where one party is unable to carry out its obligations under this agreement due to circumstances beyond its control or which it could not have prevented, those obligations are suspended whilst those circumstances continue, provided the other party is notified and the first party uses its best endeavors to overcome the circumstances preventing its obligations from being carried out.
4. Sponsor will indemnify, defend and hold EnergySec harmless from any final judgment awarded against EnergySec which finds that any written materials, postings or other work uploaded to the EnergySec portal by the Sponsor infringes any third party U.S. copyright, U.S. trademark or U.S. patent, provided: (i) EnergySec promptly notifies Sponsor in writing of the claim; and (ii) Sponsor has control of the defense of any action and any negotiations for settlement.
5. Sponsor is authorized to use the EnergySec Sponsor logo, link to the EnergySec website, and to publicize its sponsorship of EnergySec while this Agreement is in effect. The terms of this Agreement may only be disclosed if approved for release in writing by both parties, or if it is disclosed pursuant to legal obligations beyond the control of the disclosing party.
6. The rights of either party under this agreement shall not be transferable or assignable either in whole or in part.
